

SHEQ POLICY

In order to demonstrate our long term desire to be recognised as a preferred supplier in the field of chemical cleaning products to our clients we have undertaken to implement a Quality Management System in accordance with the requirements of ISO 9001: 2000 Code of Practice.

Management and employees are committed to comply with the requirements and furthermore to create a culture of continuous improvement which will be mutually beneficial to our clients and our organisation.

SHE requirements are met through the implementation of our Safety, Health and Environmental management system which has been integrated to comply with the Occupational Health and Safety Act 85 of 1993 and ISO 14001:1996

Review of this policy will be conducted to ensure its continued suitability to our organizations objectives and targets
